

# orfis *living*

The living office design.

orfis®

Timeless designs for living offices,  
spaceless furniture, unlimited technologies...

Orfis, the office furniture brand of Orçelik Family which has a long-standing background of almost half a century, designs living offices by means of its manufacturing factory having an open area of 16000 square meters and an indoor area of 8000 square meters, and the gallery of 1000 square meters. The company also realizes exportation activities to 50 countries in the world and has 21 sales points in the country. For you, and tailored for your needs.
